NOTE TASTING OF VINTAGE 2014 FROM 02/07/2015
- REF.A

Pale yellow colour with silver glints, limpid and brilliant wine.

The bouquet opens with a touch of mineral reduction, on aeration it reveals more precision and complexity, while the minerality becomes more intense.

There is great aromatic persistence.

In the mouth it is packed with energy and mineral character - thus perfectly expressing its Portlandian limestone terroir. There is fine acidity and great length.

A Petit Chablis with excellent breeding.

This wine has ECOCERT certification; both the vineyard cultivation and the vinification respect organic winemaking standards.
